主旨: ICCAD 2012 notification paper 346

Dear Soon-Jyh,
congratulations, your paper entitled

Analytical-Based Approach for Capacitor Placement with Gradient Error Compensation and
Device Correlation Enhancement in Analog Integrated Circuits

has been selected for publication in the ICCAD'12 technical program! Your paper is among the
82
selected out of 338 reviewed papers.

Find the reviewer's comments below and address them accordingly.

Thanks for your contribution to ICCAD'12!

We look forward to meet you in San Jose in November (new location) and thanks you for your
contribution.

Joerg Henkel (ICCAD'12 Program Chair)

Yao-Wen Chang (ICCAD'12 Vice Program Chair)
